**Is someone you love at risk of opioid overdose?  
YOU could save their life with naloxone.**

Naloxone is simple to use and reverses overdoses caused by heroin or other opioid drugs.

If there is any possibility that you might witness an opioid overdose, it is vital that you know where naloxone is kept and how to administer it.

Peer Based Harm Reduction WA can provide you with free naloxone.

In just 10 minutes we can teach you how to recognise and respond to opioid overdose with confidence.

**It could save someone's life.**
