

ABOUT US

Established in 1996 by people who use drugs, PBHR WA is run by and for people with personal experience of drug use, and is a part of the national network of Australian drug user organisations and a member of the Australian Injecting and Illicit Drug Users League (AIVL).

PBHR WA aims for an inclusive society where all voices are heard, and where people are treated with dignity and have equitable opportunities regardless of their choice to use drugs.

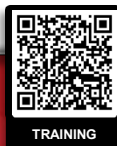

GET INVOLVED

Ask our team for information about applying to join our NSEP Volunteer program or other projects!

EDUCATION AND CONSULTANCY

We provide guest lectures to tertiary institutions and education, training, and consultancy to other organisations.

Sessions can be delivered in your workplace or online and tailored to the needs of your team. Check out our website for details.
